Sapphire and Diamond Ring
10-901-2181
14kt two tone sapphire and diamond ring designed and handcrafted by Paul Richter. The ring features (1) round brilliant center blue sapphire (1.66ct) flanked on each side by a round brilliant diamond. The (2) diamonds are F color, VS1 clarity and have a carat weight of 0.84ctw. The shank of the ring is a squared cut out style set with (4) round brilliant accent diamonds, which are G color, SI clarity and have a carat weight of 0.05ctw.
