Yellow Beryl and Diamond Slide Enhancer  
71-7-155

Ladies 14kt white gold yellow beryl and diamond slide enhancer designed and fabricated by Paul Richter. The slide is bezel set with one square radiant cut yellow beryl. The beryl is accented at each corner by (3) round brilliant bezel set diamonds and on the bale by (5) round brilliant bead set diamonds. The (17) diamonds are F/G color, VS2 clarity and have a carat weight of 0.70ctw.
